Important! Visit <https://stephenbunel.com> to get a real picture of what talent I can bring to your company! Words are a very low bandwidth form of communication! A picture is worth a thousand words or how about a bad-ass Website - [StephenBunel.com](https://stephenbunel.com).

EXPERIENCE

Guardian Electric, Saint Marys KS - Electrician

MONTH 2019 - PRESENT

Working primarily as an Electrician I also helped with some technical issues such as setting up a new business email and soon a website.

KG Moats & Sons Contracting Work , Kansas City - Electrician / Industrial Controls

April 2021 - May 2021

I was hired as a temp helper/Electrician and sent out to work at a new U Haul fulfillment center. My primary duty was to assist their Electricians/Engineers while they were wiring up and programming a new conveyor belt system.

Online Ecommerce Business - Digital Entrepreneur

MONTH 2020 - PRESENT

Through applied basic business experience and technical skills, I generated thousands of \$\$\$ in ecommerce sales through shopify and amazon fba. Experience with google ads and SEO optimization.
